

CONSTRUCTION 101

AN EVENT FOR HIGH SCHOOL LADIES

ABOUT THE EVENT

Do you have a passion for engineering, art, problem-solving, or hands-on work?

McCarthy Partnership for Women is hosting an awesome event that will show young women like you the incredible world of construction. No matter which high school grade you're in, we want you to be a part of it! You'll get to dive into trades like concrete, electrical work, sheet metal, framing, and will have the opportunity to use power tools. Plus, you'll craft something special to take home.

There will be informative booths set up by different industry partners for you to browse, and a special presentation with a Q&A session for your parents/guardians.

**DON'T MISS OUT!
JOIN US AND EXPLORE
THE OPPORTUNITIES
FOR WOMEN IN THE
ENGINEERING, DESIGN, AND
CONSTRUCTION INDUSTRY!**
